Green Space & Envir.

STRENGTHS – *What are the best parts of the area you walked? What subscore was the highest, and why?*

TYPE YOUR ANSWER HERE....

WEAKNESSES – *What are the parts of the area you walked that you didn't like? What subscore was the lowest, and why?*

TYPE YOUR ANSWER HERE....

CHANGES – *What can be improved in your area to raise the scores?*

TYPE YOUR ANSWER HERE....

CHALLENGES – *What are some challenges facing the area and community? (For example, there is no space to build a new park, or there are a lot more people moving here)*

TYPE YOUR ANSWER HERE....

Our idea for improving the YouthScore: Option 1

Draw and/or describe your idea here

Our idea for improving the YouthScore: Option 2

Draw and/or describe your idea here

Next Step: Use materials found around the home or classroom to build a 3D model of your design solution.
